ONBOARD PRESENTATION AT EDGBASTON RESERVOIR

We're now an RYA OnBoard Centre and part of the campaign to encourage more young people to take up windsurfing and sailing. Contact us now if you want to find out how we can help you get started.

THE FUN, THE SUN AND THE SHOWERS! THE ACTION FROM OUR LATEST OPEN DAYS

In May and June, Edgbaston Watersports held open days as part of the campaigns for BBC ThrillSeeker and National Family Week. People of every age and ability had a go at sailing, windsurfing, canoeing, kayaking and our climbing wall. We were fully booked and had to turn people away! So by popular demand we've decided to arrange another two open days on the 1st and 31st August, again as a partner of the BBC's ThrillSeeker initiative. Book now to avoid disappointment!

COURSE IN FOCUS: RYA Level 1 Sailing

Learning to sail for the first time is great fun and an opportunity for you to learn a new skill. The sense of achievement you'll feel when you've mastered the basics and sail on your own for first time will be a lasting memory! On this course you will get the chance to try different types of dinghy including single & double handed.

Days 1 & 2 (Level 1) designed for the beginner. Discover how much fun sailing can be. This course is all about building up sailing confidence and introducing the concepts of steering, tacking and gybing.

WATCH THIS SPACE.....

A TV company working for the BBC has been to visit us and met potential candidates for a new CBBC series on young people and their hobbies. We'll keep you posted!
